

The 2012 Biennial Congress  
South African Association of Geomorphologists  
and  
South African Society for Quaternary Research

### Venue

The meeting will be held at the Gobabeb Training and Research Center founded in 1962 by Dr. Charles Koch. The centre is internationally recognised for its influence on dryland studies, being instrumental in the production of over 1800 scientific and popular articles.

### Location

The Center is in a national park on the banks of the Kuiseb River. Approx 90 minutes drive from Walvis Bay Airport. Field excursions are planned to explore the extraordinary landscape around the Research Center.
